# BraunAbility® Pacifica Rear-Entry

## Room to Move

Our most spacious rear-entry wheelchair van, the BraunAbility Pacifica offers 56" of door height and 34.5" interior width, so you have plenty of room to enter and exit.

## Style for Miles

The Chrysler Pacifica blends sedan lines with a minivan chassis, and the BraunAbility Pacifica Rear-Entry maintains the sleek lines and curves of the sedan-like Pacifica style. You won't know where Chrysler ends and BraunAbility begins.

## Strength in Numbers

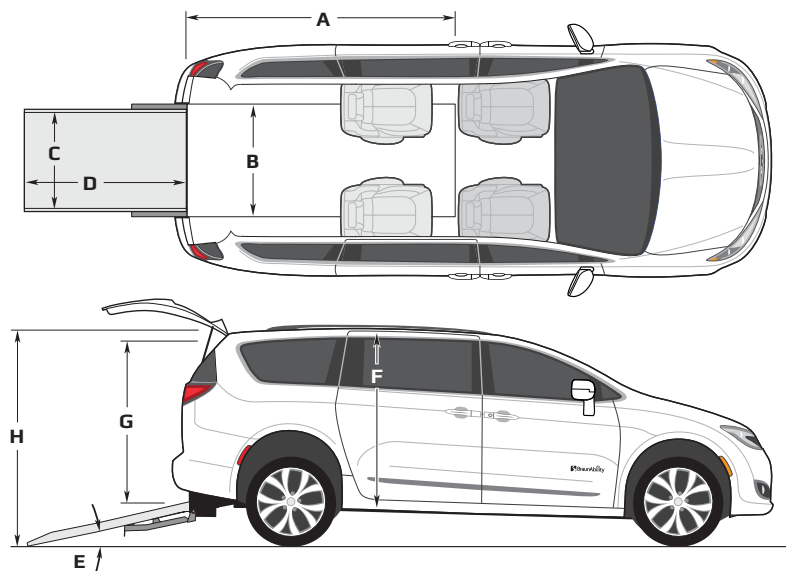

The BraunAbility Pacifica Rear-Entry has a greater weight limit, more ground clearance and the most doorway height and width of any previous rear-entry minivan.

## Sealed and Secure

A new latching tailgate with easy-release handle secures the foldout ramp for a safe, rattle-free ride. Advanced weatherstripping and sealing guarantees a quiet cabin ride.
